(1)

SECTION S. E.

FILE No. 97-95

SERIAL No.

Memo:

Letter No 361 dated 12th September 1895 from the Deputy Commissioner of the Mysore District, recommending the cancellation of the grant by the Amildar of Mundya, of certain land containing Date trees in the Narayanahalli Village, Basrahalli of the Mundya Taluk.

The case stands as follows:—

On the 16th November 93 Shanbhog Parameswaraiah alias Narainiah applied for ~~transfer of~~ Survey No 34 in the Narayanahalli Village and stated in his Darkhast

that as there were Date
trees on the land, the same
might be granted to him on
full assessment for ~~the purpose~~
~~of utilizing the~~ grazing purposes.

The Amildar observed × that as there were cultivable
lands on the 3 sides of the land
in question, which was reported
to contain 100 Date trees &
which was at a distance of
four furlongs from the Date Grove,
the same might be granted
(as per recent Circular orders)
for grazing purposes, with a
reservation of the trees to Govt.
on accepting the Dumbhast ~~for~~
and forwarding the Sagwali
list, the Amildar directed
the Sheikdar that if there was
no other objection, he might in company with the Shambhog,
prepare a list giving the
Nos & description of the trees
standing on the land & after
delivery of the Sagwali list

× order to the Sheikdar
dt 11th Dec 93.

Send the applicant to the Taluk Cutcherry for the purpose of executing a Mut-chellika binding himself not to cultivate the land or to destroy the trees standing thereon, but to utilize the same for grazing purposes on payment of full assessment.

3. In accordance with the above order, the Shekdar prepared, on the 16th January 1894, a list in which the number of trees standing on the land was shewn as 322 and after the same was attested by the applicant (who is also the Shanbhog) forwarded it with his report to the Amildar of 28th March 94 & with the remark that Parameswaraiah had been directed to go to the Taluk Cutcherry to execute the

Mutchellika required.

4. No mutchellika however appears to have been taken from Paramesewariah.

5. While the matter stood thus, one Nanja Gowda complained to the Excise Commissioner in his petition dated 15th March 95 - that although the land in question contained about 1000 date trees, a Sagwali Chit had been granted in favor of Shanbhog Paramesewariah contrary to the orders afforst on the subject. When this petition was forwarded for enquiry and report, the Amildar in submitting the Toddy Inspectors report together with the complainants deposition & a rough sketch of the land stated that there were

141 Toddy trees on the land while marks of 157 trees having once existed could be seen & that the occupant of the land ~~encroached~~ attributed the destruction of the trees to natural causes such as excessive moisture owing to the rush of water from the feeder of the Bendanahalli tank running close by. His statement is supported by the Mahazar of the Villagers and the deposition of the complainant Nanje Gowda which go to shew that the Drukhastdar Parameswaraiah has not wilfully destroyed the date trees.

6. In giving a resume of the case, the Sub Division Officer French Rocks states in his letter dated 10th September 1895, No 302, that "Anildan Raja Modaliar

"has erred in granting the
"land to the applicant
"without reference to the
"Sub Division Officer. There
"are large number of trees
"on the land which may
"propogate if left uninjured,
"as there is plenty of water
"close by. I therefore consider
"that the land is one fit
"to be reserved for the growth
"of Toddy trees. Under these
"circumstances, I beg you
"will be kind enough to
"move the Government to
"cancel the Sagwali Chit
"granted to Shanbhag
"Parameswaraiah."

7. The Dy Commissioner
submits the matter for the
orders of Government under
clause 29 Rule ~~XX~~ of the
Revenue Rules, on the ground
that the Sub Division Officer
has recommended the

cancellation of the grant owing to the grantee having violated the terms of the grant by cutting down a large number of the date trees that existed on the land.

8. The point for consideration is, whether the land in question is included in the list of lands reserved for Government, and if not, why the same should now be reserved as proposed by the Sub Division officer. If the land has been included in the said list, the grant of the same by the Amildar is not only illegal but is also opposed to the orders of Govt. The Amildar has however relied upon a Circular order received by him at the time, but what the purport of the Circular is, and by whom it was

X ~~No 2208-83 & 2208-83~~
~~BY~~
No 3593-81 & 11-9-84.

issued have not been stated ~~Necessary~~ The Commissioners may, if approved, be requested to submit a full report on these points.

9. Though the complaint is not well founded as regards the number of Date trees mentioned in Nunjegowda's petition to the Excise Commissioner, ~~stated in application~~ it is open to doubt whether the Mahazar written by the same individual who wrote the Duftchast of Parameswariah of 16th November 93 and signed by him for four others (including the complainant though stated to be in the presence of the Taddy Inspector) can be taken to give the true color of the case that Parameswariah has not violated the conditions of the grant. If as therein stated, the destruction of a large number of trees

Draftsman
23/10/95

Standing on the land was due to natural causes such as the rush of water and Sand, it is doubtful how there could be any pits which were distinguished and counted as 157. In his report dated 12th July/95 the Toddy Inspector states that the land is fit to be planted with about 1500 ~~Toddy~~ Date trees but the Amildar reports (~~[illegible]~~) that unless ~~the~~ water and Sand do not rush into the land, the same might be planted with Date trees.

10. The number of trees now standing on the land are as shewn below:—

5 q Withered.
6 q Big trees —
13 Young trees.

141 Total.

Submitted for orders.

A. D.

14/10/95.

11. The orders passed on para 8 above having been communicated to the Dy Commissioner in this office docketed No 3993 Q 7539 ⊗ of 24th Octr/95, that officer now reports that the land in question had been included in the list of lands reserved for Date groves, though it is not situated in the midst of such groves.

⊗ No 1146 of 12-3-96.

12. Copy of the Dy Commrs × Circular under which the Amildar seems to have granted the land in question for grazing purposes with a reservation of the trees thereon, is submitted. As this Circular deals with the disposal of Waste Bagayat lands, the grant of the land in question which is classed as dry, & which had been entered in the list of lands reserved for Date groves is clearly illegal - In

× No 218/284 of 12-4-93.

Sanctioning the Dr/Commrs
recommendation for the
cancellation of the grant
in question, the Excise
Commissioners may be
called upon to report

No. 361
Eu. I file

Deputy Commissioner's Office,
Mysore District,
Dated Mysore 12th Sept 1895.

To,

The Revenue Secretary to the
Government of Mysore

Sir,

I have the honor to submit herewith for orders, the French Rocks Sub Division Officer's letter No 302 of the 10th September 1895 with its enclosures, bringing to notice the grant by the Amildar of Mandya in 1893 of land bearing Survey No 34 containing a large number of date trees and situated in Nyraganahalli of the Basaral hobli. It will be seen from the letter that the land was granted by the Amildar on full assessment for the purpose of pasture only, on the ground of the grantee taking care of the toddy trees thereon. As the grantee violated the terms of the grant by cutting down a large number of the date trees that existed on the land, the Sub Division Officer recommends the cancellation of the grant. As this

can

can only be done with the sanction of Government under clause 29 of rule No 20 of the Revenue rules, I have made this reference.—

I have the honor to be

Sir,

Your most obedt servant,

Deputy Commissioner

Mysore District.

Dated 10th September 1895

From

The Sub Division Officer
French Rocks

Rec
Report & draft
as per draft
12. 9. 95.

To

The Deputy Commissioner
Mysore District

Sir,

I have the honor to submit the following for orders.

2 One Parameswaraiah Shanbhoge applied for, for grazing purposes the marginally noted Survey No situated in the Naraganahully village Mandya Taluk. Being himself the Shanbhoge of the village he certified at the foot of the application to the effect that although there were 100 date trees

on

on 16.11.93
Survey No } 34
Govt-waste }
area — acre gunta
2 — 31
assessment 1-12-0

on the land, it might be granted on payment of full assessment, since the grass growing thereon would only be utilized for grazing purposes.

3. The Sheikdar of the Hobli counted the date trees which numbered to 322. He obtained the signature of the Shanbhagg to the patti and solicited orders.

4 Upon this a Sagavali Chit was granted to the Applicant on 11.12.93 by the then Amildar Mr. Rajan Modaliar on the condition that he should use the land for grazing purposes and take care of the date trees and further execute a muchulika to that effect.

5 One Ranjegowda of Naragalu village petitioned the Excise Commissioner that although the land contained 1000 date trees, a Sagavali Chit was granted against previous orders to the contrary. On the receipt of this petition, the Amildar was called

upon to make a full report. Where-upon the land was inspected by the Taddy Inspector who reported that there are 141 trees on the land; & that marks of 157 trees having once existed could be seen, while no trace of the remaining 24 trees is to be found.

5-9 withered
6 9 Big trees
13 young trees
141

6. The occupant of the land explains the destruction of trees to natural causes such as excessive moisture from the feeder of the Bindenahully tank running close by the land.

7 The mahazar of the villagers goes to shew the destruction of the date trees not to be wanton.

8 Amildar Rajn Modaliar has erred in granting the land to the applicant without reference to the Sub division Officer

9. There are large numbers of date trees on the land which may propogate if left uninjured, as there is

is plenty of water close by. I therefore consider that the land is one fit to be reserved for the growth of Toddy trees.

10 Under these circumstances I beg you will be kind enough to move the Government to cancel the Sagavali Chit granted to Shanbhoge Parameswaraiah.

11 The entire vernacular papers ending with mandya Amildar's reports Nos 69 & 337 dated 5th Ultimo and 6th Instant respectively are also submitted for needful further reference and obliging return.

I have the honor to be,
Sir,
Your most obedient Servant

Sub division Officer
French Rocks

Sir,

With reference to your docket No. 3993-R1539 dated the 24th October 1895, returning the vernacular papers in re the cancellation of the grant for cultivation of survey No. 34 in the Narayanahalli village of the Maudya taluk, I have the honor to state that the land in question had been included in the list of lands reserved for date groves prepared by Inspector Chitambriya, who had been specially appointed by Government for this duty. Therefore the Sub Divn Officer of French Rocks proposes to reserve it. The land is not situated in the midst of date groves.

2. A copy of Circular No. 218 dated the 12th April 1893, alluded to in para 2

of

of the docket under reply, is submitted. It was issued by the former Deputy Commissioner on the orders of the Excise Commissioner quoted therein.

3. The vernacular proceedings are resubmitted.

Subject, and to direct that
no unoccupied lands
reserved as date groves or
situate in the midst of
date groves, should,
under any circumstances,
be given out for cultivation,
without the Special Sanction
of Government. But wherever
the grazing on such lands
can be disposed of either
under the Kulbanni rules
or by Separate Sales without
prejudice to the requirements
of the State Toddy Revenue,
Govt have no objection to
the lands in question being
dealt with accordingly
after giving due publicity to
the fact that the date
trees thereon should on no
account be interfered with.
